RETAINING WALL DETAILS (UP TO 4' HIGH MEASURED FROM THE BOTTOM OF THE FOOTING TO THE TOP OF THE WALL)

This information bulletin provides general information and guidance for the construction of retaining walls no more than 4 feet high measured from the bottom of the footing to the top of the wall and are exempt from building permit requirements. Retaining walls requiring building permits shall be engineered and require further plan review by building division. Retaining walls shall comply with City's Zoning Code regardless whether a permit is required or not.
