## Cal-SAFE Teen Parent Program

### *A PROGRAM FOR EXPECTANT AND NON-EXPECTANT TEEN PARENTS*

Cal-SAFE Teen Parent Program is dedicated to teens and offers information, education and services that will assist expectant and non-expectant teen parents through the process of parenthood.

Services offered the program include: nutrition classes, meals to qualifying students, parenting classes, childcare, counseling services, and transportation.

Cal-SAFE Teen Parent Program offers information, education and services that will assist expectant and non-expectant teen parents to complete their high school education and receive a high school diploma.

Most services are provided at all of our high schools or alternative programs

For more information, please contact your counselor at your home school or call the Teen Parent Cal-SAFE Program (562) 926-7126
