### Immigration Law

The Sheriff's Dept. does not actively enforce immigration law. An Immigration Agent assigned to the County Jail screens inmates for possible immigration violations.

If I.C.E. conducts an operation in our jurisdiction, we provide logistical support in a mutual aid capacity upon request.

Ultimately I.C.E. is responsible for the arrest and prosecution of individuals they detain for immigration violations.

### D.U.I. Checkpoints

- DUI checkpoints are conducted by police agencies countywide
- They are funded by the California State Office of Traffic Safety
- To ensure safety on the roadways, deputies/officers also check for driver's licenses and proof of insurance
- Pursuant to 22651(p) CVC, vehicles driven by unlicensed drivers may be impounded

#### Search Warrants

Search warrants are legal documents that demonstrate probable cause to search a location for suspects and/or evidence.

They are reviewed and signed by a Judge of the Superior Court.

#### Search Warrants continued

Deputies serving the search warrant will provide the resident with two documents:

- 1. Copy of the signed search warrant
- 2. Itemized receipt of property seized
