

**AMENDMENT NO. 2 TO  
EXCLUSIVE SOLID WASTE SERVICES  
FRANCHISE AGREEMENT BETWEEN  
THE CITY OF HAWAIIAN GARDENS AND  
WASTE RESOURCES INC.**

**THIS AMENDMENT No. 2** ("Second Amendment") to the Exclusive Solid Waste Services Franchise Agreement is made and entered into this 11th day of October 2022 ("Effective Date"), by and between the CITY OF HAWAIIAN GARDENS, a general law city and municipal corporation ("City"), and WASTE RESOURCES, INC., a California corporation ("Franchisee").

**RECITALS**

A. City granted an exclusive solid waste services franchise to Commercial Waste Services, Inc. ("CWS") by entering into that certain Exclusive Solid Waste Services Franchise Agreement ("Agreement"), dated July 1, 2018.

B. City adopted Resolution No. 111-2019, dated November 19, 2019, consenting to the assignment of Agreement from CWS to Franchisee, effective November 20, 2019, whereupon Franchisee assumed responsibility for providing exclusive solid waste services to all properties in the City under the terms of the Agreement.

C. In accordance with Proposition 218, City approved a rate increase for the residential, multi-family, commercial, and industrial solid waste services, which set maximum residential, multi-family, commercial, and industrial rates, following a majority protest hearing conducted on September 14, 2021, through the adoption of Resolution No. 025-2021.

D. At the City Council meeting of September 28, 2021, the parties entered into Amendment No. 1 to Exclusive Solid Waste Services Franchise Agreement Between the City Of Hawaiian Gardens And Waste Resources Inc. ("First Amendment"). As part of the First Amendment, the City Council approved the Maximum MF/C/I Amended Rate Schedule, which sets forth provisional multi-family, commercial, and industrial ("MF/C/I") rates at a rate lower than the maximum rate approved in Resolution No. 025-2021. The Maximum MF/C/I Amended Rate Schedule is set forth in Exhibit "B" to the First Amendment.

E. Section 7.1.2 of the First Amendment required the parties to discuss in good faith an amendment to the Maximum MF/C/I Amended Rate Schedule, which if approved, would in no event contain a rate increase for MF/C/I services as set forth in Resolution No. 025-2021. The objective of the good faith discussions was to consider an increase in the provisional rates in Exhibit "B" of the First Amendment in an amount that negates the annual revenue losses represented by the Franchisee as resulting from the adoption of Exhibit "B" of the First Amendment.

F. As part of the good faith discussions, Franchisee provided the City with documentation necessary to evaluate Franchisee's finances. The City retained Michael Balliet Consulting ("MBC"), who examined relevant documents such as Franchisee's financial statements and cost and rate studies and produced financial analyses to determine whether a further proposed rate increase for MF/C/I services was appropriate. MBC found that with the current MF/C/I rates, WRI is estimated to be operating at a 1.91% loss.

G. The parties have concluded the good faith discussions and have agreed that an amendment to the Maximum MF/C/I Amended Rate Schedule is appropriate to address the losses WRI represents to be experiencing.

H. City and Franchisee desire to amend the Agreement to as provided in this Second Amendment.

### **AGREEMENT**

NOW THEREFORE, in consideration of the mutual promises contained herein, the above recitals, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

**SECTION 1.** Section 7.1.2.A is hereby added to Article 7 as set forth below:

#### **7.1.2.A - Amendment to Multi-family, Commercial, and Industrial Rates**

The City and Franchisee engaged in good faith discussions as required in Section 7.1.2. After completion of these good faith discussions, the City and Franchisee agree that an increase to the Maximum MF/C/I Amended Rate Schedule (as defined in the First Amendment) is appropriate. The City and Franchisee therefore agree as follows:

1. Exhibit "B" to the First Amendment is repealed in its entirety and is no longer in effect.
2. The maximum rates set, charged to, and collected for MF/C/I services shall be as set forth in Resolution No. 025-2021, which is incorporated herein by reference. For reference, the operative MF/C/I rate charts from Resolution No. 025-2021 are attached to this Second Amendment as Exhibit "B."
3. Prior to July 1, 2022, WRI requested and the City approved an 8.5% CPI increase for all rates, pursuant to Section 7.2.1 of the First Amendment. As it relates to MF/C/I services, the 8.5% increase was applied to the rates then in effect, which were those set forth in Exhibit "B" to the First Amendment ("2022 MF/C/I CPI Increase"). As a result of the parties' agreement that the maximum rates allowed under Resolution No. 025-

2021 shall now apply, the current MF/C/I shall be determined by taking the maximum rate WRI was entitled to under Resolution No. 025-2021 for the 22-23 fiscal year and adding the amount of the 2022 MF/C/I CPI Increase. By way of example, in Exhibit "B," the rate for a 3-cubic yard container serviced once per week is \$211.88. The 2022 MF/C/I CPI Increase of 8.5% resulted in an \$18.01 increase. Under Resolution No. 025-2021, however, the 2022-2023 rate for a 3-cubic yard container serviced once per week is \$247.71. Therefore, in authorizing the MF/C/I rates in Resolution No. 025-2021, with the addition of the \$18.01, the effective rate would be \$265.72. The parties agree that WRI shall be hereinafter authorized to the maximum MF/C/I rates per fiscal year set forth in Resolution No. 025-2021, including CPI and pass-through fees.

4. Franchisee agrees that, for the duration of the Agreement, in no instance shall it exceed 15% net profit in any fiscal year (measured from April 1 of the preceding year to March 31 of the year in which the rent increase is sought). In the event net profits meet or exceed 15%, Franchisee shall not be entitled to any rate increases as permitted in the Agreement and First Amendment until it can be demonstrated by substantial evidence that net profits are below 15 per cent.
5. Franchisee agrees to a comprehensive audit at the end of the City's 2023-2024 fiscal year which will permit the City to evaluate Franchisee's finances and profit margins to ensure compliance with the Agreement, First Amendment and Second Amendment.

**SECTION 2.** Article 1, Section 1.34, entitled "Franchise Fee" is hereby deleted in its entirety.

**SECTION 3.** Article 3, Section 3.1, entitled "Franchise Fee" is hereby deleted and replaced in its entirety to read as follows.

### **3.1 Quarterly Fee Payments**

Franchisee shall pay a quarterly fee to City equal to Ten Percent (10%) of Gross Receipts collected the preceding quarter for solid waste services or related service, provided under this Agreement, and is not subject to any percentage reduction or "net-of-fees" computation without the express approval of the City Council ("Quarterly Fee Payments"). Quarterly Fee Payments are due 30 days after each preceding quarter's end, up to and including the final month of this Agreement. Any under-payment or non-payment of Quarterly Fee Payments is subject to a late payment penalty of 1.5% per month, or any fraction of a month beyond the

prescribed due date. This is an agreed upon penalty that is cumulative upon any balances owing or subsequently found as owing through audit or other means. Franchisee shall continue to submit the quarterly solid waste services report to include gross receipt breakdown with the Quarterly Fee Payment. Franchisee is responsible for paying all outstanding fees owed to the City, including the fees formerly referred to as Franchise Fees, in accordance with this Second Amendment, the First Amendment, and the Franchise Agreement. Failure to timely and accurately pay the Quarterly Fee Payments is considered a material breach of this Agreement.

City shall use the revenues from the Quarterly Fee Payments to provide solid waste services within the City, including but not limited to, bulky item sweeps, community block clean-up, diversion programs, recycling outreach and recycling materials.

**SECTION 4.** In Article 3, Section 3.4, entitled "Future Fees," in Article 5, Section 5.10.5 entitled "Recycling Revenue," in Article 8, Section 8.2 entitled "Inspection and Retention of Franchisee's Accounts and Records," the words "Franchise Fee Payments," "franchise fee payments" and "Franchise Fee" shall be replaced with the words "Quarterly Fee Payments."

**SECTION 5.** In Article 7, Section 7.4.2, entitled "Indemnification," the words ", franchise fees" shall be deleted.

**SECTION 6.** Except as modified by this Second Amendment, all other terms and conditions of the Agreement and First Amendment remain the same.

**IN WITNESS WHEREOF**, the parties hereto have executed this Second Amendment on the Effective Date as set forth above.
